# Italian Famous People

Some biographies

# Leonardo Da Vinci

**was an Italian artist, a scientist and an inventor who was born in 1452 in Anchiano in Italy and died in 1519 in France.**

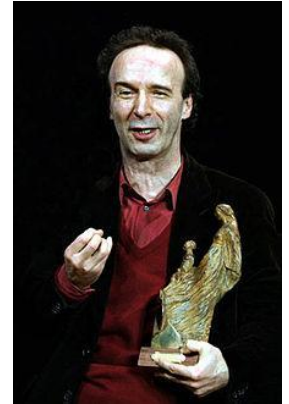

**His most important works are La Gioconda, l'Ultima Cena, la Vergine delle Rocce, l' Uomo Vitruviano, La Dama con Ermellino.**

**Dante Alighieri** is considered one of the most famous Italian writers, the father of the Italian language. His masterpiece is called “La Divina Commedia”. Thanks to him, Italian language from Florence became the language of all Italian people.

**Roberto Benigni** is an actor and a film director. He won 2 Oscars in 1999, as best actor, and his most important film “La vita è bella” as best foreign language film. It’s the story of a Jew and his family in a German concentration camp.

Federico Fellini was born in Rimini in 1920. He was an Italian film director. "Amarcord" and "La Dolce Vita" are some of his most famous films. When he was a child, he spent his summer at his grandparents' house in our town, Gambettola, and the house is still here.

His name is **Andrea Bocelli**. He is a famous tenor and a pop singer. When he was 12 years old, he became completely blind. He sang with many other famous singers: Luciano Pavarotti, Lady Gaga, Ed Sheeran, Stevie Wonder.
